* Under Truth in Taxation, MCL Section 211.24e, the governing body may decide to levy a rate which will not exceed the maximum authorized rate allowed in column 9. The requirements of MCL 211.24e must be met prior to levying an operating levy which is larger than the base tax rate but not less than the rate in column 9.

* Under Truth in Taxation, MCL Section 211.24e, the governing body may decide to levy a rate which will not exceed the maximum authorized rate allowed in column 9. The requirements of MCL 211.24e must be met prior to levying an operating levy which is larger than the base tax rate but not larger than the rate in column 9.

**** IMPORTANT:** See instructions on page 2 regarding where to find the millage rate used in column (5).

Instructions For Completing Form 614 (L-4029) 2025 Tax Rate Request, Millage Request Report To County Board Of Commissioners

These instructions are provided under MCL Sections 211.24e (truth in taxation), 211.34 (truth in county equalization and truth in assessing), 211.34d (Headlee), and 211.36 and 211.37 (apportionment).

Column 1: Source. Enter the source of each millage. For example, allocated millage, separate millage limitations voted, charter, approved extra-voted millage, public act number, etc. Do not include taxes levied on the Industrial Facilities Tax Roll.

Column 2: Purpose of millage. Examples are: operating, debt service, special assessments, school enhancement millage, sinking fund millage, etc. A local school district must separately list operating millages by whether they are levied against ALL PROPERTIES in the school district or against the NON-HOME group of properties. (See State Tax Commission Bulletin 2 of 2025 for more explanation.) A local school district may use the following abbreviations when completing Column 2: "Operating ALL" and "Operating NON-HOME". "Operating ALL" is short for "Operating millage to be levied on ALL PROPERTIES in the local school district" such as Supplemental (Hold Harmless) Millages and Building and Site Sinking Fund Millages. "Operating NON-HOME" is short for "Operating millage to be levied on ALL PROPERTIES EXCLUDING PRINCIPAL RESIDENCE, QUALIFIED AGRICULTURAL, QUALIFIED FOREST AND INDUSTRIAL PERSONAL PROPERTIES in the local school district" such as the 18 mills in a district which does not levy a Supplemental (Hold Harmless) Millage.

Column 3: Date of Election. Enter the month and year of the election for each millage authorized by direct voter approval.

Column 4: Millage Authorized. List the allocated rate, charter aggregate rate, extra-voted authorized before 1979, each separate rate authorized by voters after 1978, debt service rate, etc. (This rate is the rate before any reductions.)

Column 5: 2024 Millage Rate Permanently Reduced by MCL 211.34d ("Headlee") Rollback. Starting with taxes levied in 1994, the "Headlee" rollback permanently reduces the maximum rate or rates authorized by law or charter. The 2024 permanently reduced rate can be found in column 7 of the 2024 Form L-4029. For operating millage approved by the voters after April 30, 2024, enter the millage approved by the voters. For debt service or special assessments not subject to a millage reduction fraction, enter "NA" signifying "not applicable."

Column 6: Current Year Millage Reduction Fraction. List the millage reduction fraction certified by the county treasurer for the current year as calculated on Form 2166 (L-4034), *2025 Millage Reduction Fraction Calculations Worksheet*. The millage reduction fraction shall be rounded to four (4) decimal places. The current year millage reduction fraction shall not exceed 1.0000 for 2025 and future years. This prevents any increase or "roll up" of millage rates. Use

1.0000 for new millage approved by the voters after April 30, 2025. For debt service or special assessments not subject to a millage reduction fraction, enter 1.0000.

Column 7: 2025 Millage Rate Permanently Reduced by MCL 211.34d ("Headlee") Rollback. The number in column 7 is found by multiplying column 5 by column 6 on this 2025 Form L-4029. This rate must be rounded DOWN to 4 decimal places. (See STC Bulletin No. 11 of 1999, Supplemented by Letter of 6/7/2000.) For debt service or special assessments not subject to a millage reduction fraction, enter "NA" signifying "not applicable."

Column 8: Section 211.34 Millage Rollback Fraction (Truth in Assessing or Truth in Equalization). List the millage rollback fraction for 2025 for each millage which is an operating rate. Round this millage rollback fraction to 4 decimal places. Use 1.0000 for school districts, for special assessments and for bonded debt retirement levies. For counties, villages and authorities, enter the Truth in Equalization Rollback Fraction calculated on STC Form L-4034 as TOTAL TAXABLE VALUE BASED ON CEV FOR ALL CLASSES/TOTAL TAXABLE VALUE BASED ON SEV FOR ALL CLASSES. Use 1.0000 for an authority located in more than one county. For further information, see State Tax Commission Bulletin 2 of 2025. For townships and cities, enter the Truth in Assessing Rollback Fraction calculated on STC Form L-4034 as TOTAL TAXABLE VALUE BASED ON ASSESSED VALUE FOR ALL CLASSES/TOTAL TAXABLE VALUE BASED ON SEV FOR ALL CLASSES. The Section 211.34 Millage Rollback Fraction shall not exceed 1.0000.

Column 9: Maximum Allowable Millage Levy. Multiply column 7 (2025 Millage Rate Permanently Reduced by MCL 211.34d) by column 8 (Section 211.34 millage rollback fraction). Round the rate DOWN to 4 decimal places. (See STC Bulletin No. 11 of 1999, Supplemented by Letter of 6/7/2000.) For debt service or special assessments not subject to a millage reduction fraction, enter millage from Column 4.

Column 10/Column 11: Millage Requested to be Levied. Enter the tax rate approved by the unit of local government provided that the rate does not exceed the maximum allowable millage levy (column 9). A millage rate that exceeds the base tax rate (Truth in Taxation) cannot be requested unless the requirements of MCL 211.24e have been met. For further information, see State Tax Commission Bulletin 2 of 2025. A LOCAL School District which levies a Supplemental (Hold Harmless) Millage shall not levy a Supplemental Millage in excess of that allowed by MCL 380.1211(3). Please see the memo to assessors dated October 26, 2004, regarding the change in the collection date of certain county taxes.

Column 12: Expiration Date of Millage. Enter the month and year on which the millage will expire.

Michigan's 83 County MCSSA Scholarship Fund Challenge

Each spring, students across Michigan apply for the Chuck Higgins-Mel Haga Scholarship. They are children, grandchildren, nieces, nephews, stepchildren, step-grandchildren, step-nieces, or step-nephews of Michigan Department of Health and Human Services (MDHHS) employees or MCSSA board members.

To support these students, we are holding the MCSSA Scholarship Fund Drive from May 1 through June 30. Your donation during this time helps make scholarships possible for those entering their junior, senior, or master's year at a Michigan college or university and pursuing careers in social work, human services, or juvenile justice.

Why It Matters

Michigan's counties urgently need the next generation of passionate professionals in human services. The MCSSA scholarship exists to invest in those future leaders, and thanks to donors like you, we're seeing lives transformed.

Last year's scholarship winner Elisabeth, a former foster parent and daughter of a child protective services supervisor who completed her undergraduate degree in two and a half years while working multiple jobs and maintaining a 3.5 GPA. Now she writes: "I am still very appreciative of the scholarship I received and am currently still debt free. I have one more year of grad school, and I will be licensed as a clinical mental health therapist. Thanks again!"

Or Courtney, named NASW-Michigan Student of the Year, who balanced advocacy work and athletics with academic excellence. Last year she told us: "This scholarship will help me become an MSW and reach my dream of completing my Master's degree as a first-generation college student." With her dream coming true she sent this message: "I am graduating in 7 weeks with my MSW and have been extremely grateful for the scholarship!" Her mother, a DHHS worker, is so proud!

Our Goal

MCSSA's 2025 fundraising target is \$20,000 —just \$241 per county.

How You Can Help

- Announce your county's goal for the May-June fundraising period.
- Invite County Human Service Board members and MDHHS staff to donate.
- Make a gift in honor or memory of a colleague or community leader. These tributes will be recognized in the MCSSA "Up to the Minute" newsletter and at our Annual Conference in September.
- Make checks out to MCSSA - write Scholarship Fund on the memo line.
- Mail donations to: MCSSA Scholarship Fund, 115 W. Allegan Street, Suite 200, Lansing, MI 48933.
- Donate by phone using a credit card or debit card - call the MCSSA office (517) 371-5303

Let's Do This Together

Wouldn't it be wonderful to know that every county in Michigan pulled together to help other students like Elisabeth and Courtney? Your generosity today plants seeds for stronger communities tomorrow.

RESOLUTION OF THE COUNTY OF HOUGHTON BOARD OF COMMISSIONERS

URGING ACTION TO OPPOSE PROPOSED CUTS TO MEDICAID BY THE FEDERAL GOVERNMENT

Resolution # 25-08

WHEREAS, the Houghton County Board of Commissioners recognizes that Michigan's public mental health system is facing a serious and escalating funding crisis, driven by several compounding factors, including the loss of Medicaid-covered lives, inflationary pressures, increasing demand for services, and expanding regulatory burdens; and

WHEREAS, the Michigan public health system funding increases for core behavioral health and intellectual/development disability services have not kept pace with medical inflation and have in fact, recognized flat funding for the last five (5) years, while medical inflation has increased by over 10% and Medicaid expenses have increased by nearly 25%; and

WHEREAS, the State of Michigan has lost nearly 700,000 Medicaid beneficiaries since the end of the Public Health Emergency (PHE), resulting in reduced capitation payments to CMHSPs despite continued or increasing demand for mental health services; and

WHEREAS, the proposed cuts to Medicaid would force impossible choices including-shrinking access to care, shifting costs onto the State budget and to local providers and threatening the coverage of people with disabilities who require daily support; and

WHEREAS, additional factors exacerbating this crisis include skyrocketing inpatient psychiatric and residential costs, AND Misclassification of Medicaid eligibility groups resulting in lost revenue; and

WHEREAS, failure to adequately fund the public behavioral health system undermines the ability of CMHSPs and the State of Michigan to meet the needs of the most vulnerable residents-including children, adults with serious mental illness, individuals with intellectual and developmental disabilities, and those with substance use disorders.

NOW, THEREFORE, BE IT RESOLVED, that the Houghton County Board of Commissioners urgently calls on the United States Legislature, and the President to:

1. **Fully allocate Medicaid behavioral health funds to the State of Michigan** in fiscal year 2025 and beyond.
2. Forego propose reductions to Medicaid through; Shifting to block grants, Per Capita Caps, reducing Medicaid expansion, or other suggested means of reducing the federal share for Medicaid spending which would transfer the financial burden to the State of Michigan.

BE IT FURTHER RESOLVED, that copies of this Resolution be transmitted to local Senate and House of Representatives of the U.S. Legislature and the Michigan Association of Counties.

BE IT FURTHER RESOLVED, that copies of this Resolution be transmitted to Michigan's members of the United States Senate and House of Representatives, as well as to the Michigan Association of Counties.
